### CLUBHOUSE NEWS

**(nearly there!)**

What a functional and attractive facility we now have. It's a pleasure to roll up the storage roller door to access things, go into the light airy kitchen area or sit under the verandah.

Although we sought the grant and organized the building of the Clubhouse we are now sharing it with the Netball Club as noted on the new sign. Shane Skinner of Kwik Kopy guided us in the design of the sign and manufactured the sign for us at reasonable rates.

Thanks to the \$19 000 grant, 'Mates Rates' from local contractors, a monetary contribution from the Netball Club and donations by some of our members (please see the list), we are far closer to completing the project than we originally predicted.

There are still a few jobs to complete. Pete Wolfe has constructed and installed our kitchen (at extremely generous 'mates rates') and will return to fit kickboards once flooring has been laid. The walls need a coat of paint. Although we already have a terrific new fridge organised by Ian Barry and a table lent to us by Jodi McPherson, it would be great to have a white board, some kitchen chairs and a display cabinet. Phil Herrmann donated and spread a load of rubble to tidy up around the ends of the Clubhouse but some paving and a retaining wall along the back would finish things off nicely.

## TENNIS MANIA

( = great fun!)

Although not a huge fundraiser, TENNIS MANIA was a **huge** success. Everyone who attended the night enjoyed both the food and the format of the tournament.

Preparation and co-ordination was a team effort with many people helping out – but mainly the Trad. Div 3 Women (White).

Dana Tuesner prepared the menu and ordered food. Ian Barry and Karin Barry organized the tournament and other games. Kelly Golding and Kristen Beltrame spent most of the night on the BBQ, and Di Farrell oversaw the night. Michael Stafford, Mark Muller and Phil Herrmann helped set up and ran the bar.

We would like to thank the generous businesses who donated items for the Silent Auction. A list is included on the next page. Please return the support of these people whenever possible.

## HOW ARE OUR TEAMS GOING?

This week is the last game of the minor round for Saturday competition and finals start on the 15<sup>th</sup> of March.

At present it looks as though the Div 2 Girls and Div 6 Girls are going to miss out but all of the other teams will be playing in the finals.

Their positions on the ladder before the last game of the minor round are

Div 3 Women White - 1st

Div 3 Women Blue – 4th

Div 1 Girls – 2nd

Div 4 Girls – 4th

Div 4 Boys – 4th

Div 11 Mixed – 2<sup>nd</sup>

With 2 games to be played before the final our 2 night teams are well placed.

Summer Tuesday Night Div 2 mixed – 1st

Summer Tuesday Night Div 3 mixed – 3rd

## KEYS

We thank THE RISING SUN HOTEL for holding the loan court key the past few months. The Rising Sun has also been a Bronze sponsor of the Club this season.

They are open for delicious, very reasonably priced meals 7 days a week. (they even have a fresh salad bar – a winner with my family)
